

## Title of the Best Practices – II

### “Vehicle free day on 4<sup>th</sup> Saturday of every month”

1. **Goal:** To create awareness about environmental factors such as pollution due to vehicles and to save non-renewable energy sources like petrol and diesel.
2. **The Context:** The Anjuman Arts, Science & Commerce comprising about 1200 students and 100 staff members. To create awareness about nonrenewable energy sources and air pollution factors among the students is the present requirement. Avoid of use of vehicle for one day in a month may cause major impact saving of fuel and environmental concern.
3. **The Practices:** All the staff members and students are actively taking part in this practice by avoiding use of their vehicles.

#### 4. Evidence of Success:

5. **Problems encountered and resources required:** Still environmental awareness is need be enhance among the society.

## Title of the Best Practices – III
