About the Vignaspur City

The city of Vignaspur was the celebrated capital of the HEMALDE ARA KHAN. A city that ruled about two centuries in the central part of the Deccan in the medieval period. The Sultan's contributed a lot in the field of art and architecture. Thereafter even today the Vignaspur every week and corner is graced with the monuments of new beauty. Among their creation may be made of the Gajabai, Ibrahim Khan, Akbar and Jahangir Karamat, Jaisiya Maahil, Ayy Mahal, Dargah Mahal, Ahmad Mahal, Bulbuls Mahal, Jaisiya Mahal, Bhaiji Mahal and Malik Mahal. The city is considered to be the epitome of the Islamic Architecture. Every corner the corner get into the world of a different architectural masterpiece.

About the College

In the historical city of Vignaspur with the able efforts of the distinguished members of Anjuman-e-Hum, the faculty of Arts started in the year 1912. It was a humble beginning, today it is a full-fledged college having all the three faculties of Arts, Science & Commerce and PU studies in English. It has a team of committed, dedicated, efficient teachers, a good library, well-equipped laboratories, computer laboratories with internet facility, large playground, healthy atmosphere and ever-growing students strength. They started with 15 students on roll and 07 members of staff, now students strength exceeds to 1000 and 75 members of staff, with new independent building and girls hostel of its own and a beautiful garden.

Ever since, the college was founded, it is continuously and surmounting all odds, now it is on the road to progress. Today the college is exemplary for its innovative teaching, practicality, discipline and good administration. The growing student strength as well as good results of the college bears testimony of its bright future and quality education. The sole object of the college is to prepare the students mentally to march along with the changing times and needs, so that they (students) secure and secure living citizens are produced year after year from this college.

About the Science Forum

The science forum of the college was established in the year 1998 with an intention of developing scientific temper among the students and creating a research attitude. The science forum of the college aimed at exposing the students to the recent developments in the field of science technology and expanding their knowledge of different areas of science.

About the Seminar

Advanced college has been organising various conferences in order to add advancing association work to achieve the goals of good education. This time we

students the total seminar is surely a new step in that direction. Hence science Forum of college decided to hold such an event for that purpose.

This unique seminar will not only help the students to expose to the new world in the field of science, but it will help them to increase their knowledge. Similarly this seminar provides an opportunity to the students to express, to discuss and to deliberate on various topics related to the field of science. As research based deliberation has been the domain of scientists but this seminar will surely empower the students to have their own independent views to be expressed.
